No. 6 COLOGNE

Deliberately Chosen by New York Society

EIGHTY years ago we decided to market a cologne. But our chemists developed so many fine remembrances of flowers that we could not agree upon any one. Therefore, twenty different scents in numbered bottles were submitted to the then leaders of New York Society for their judgment. Bottle number six won by an overwhelming majority.

And so was born No. 6 Cologne. Its delightful flower fragrance and marvelous quality won popularity immediately. To-day it is more than ever the chosen cologne of New York Society.

Test the judgment of our fathers and mothers. Send for the Traveler's size or request "No. 6" at a leading drug or department store.
